# Valentine's Vroom

NUDE VODKA

How about a little communing with nature this Valentine's Day? We're thinking along the lines of the wide forested hills, low summits and volcanic peaks of the Oregon Cascades. Here you can shed your inhibitions, strip down and have a little old fashioned fun. Let your nude bodies embrace a natural state of being and return to innocence. Doesn't it feel gorgeous in the nude? Quench your thirst with a little romantic, moonlight sip of simply seductive Nude Vodka and reach an altered state this Valentines Day.
